## 8 STEPS TO FOLLOW WHEN COMPLETING ALL APEX ENTRIES:

### STEP 1 – Prepare a CD/DVD or Memory Stick or Hard Disk Drive

1. Create a CD/DVD or Memory Stick or Hard Disk Drive with the following folders:
  - Case Study
  - Graphs and Graphics from Case Study
  - Campaign Elements
  - Supporting Documents

### STEP 2 – Name and save the Case Study on the CD/DVD:

1. Name the Case Study of your APEX entry as follows:

The first three letters of your agency name followed by an underscore and the APEX category code i.e. LAU (for launch), SUS (for sustain) or CHA (for change), another underscore and then the campaign name

For example:

OGI\_LAU\_KFCFAMILYFEAST

2. Save the Case Study onto the CD/DVD or Memory Stick or Hard Disk Drive in the folder entitled 'Case Study', in two formats:
  - MS Word document (.doc)
  - and
  - Adobe Acrobat PDF (.pdf) – the PDF document file size must not be larger than 5Mb.
3. Test both the MS Word and Adobe Acrobat documents saved onto the CD/DVD or Memory Stick or Hard Disk Drive to ensure that they open correctly and have not corrupted.

### STEP 3 – Upload the Case Study via the ACA website:

1. Make sure the file size of the PDF version of the Case Study is not larger than 5Mb.
2. Upload only the PDF version of the Case Study on to the APEX portal: [www.acasa.co.za/apex.aspx](http://www.acasa.co.za/apex.aspx) on the ACA website.

### STEP 4 – Save all graphs and images/pictures from the Case Study on to the CD/DVD or Memory Stick or Hard Disk Drive

1. Make sure all the graphs and images/pictures used in the Case Study in high res, printable format, i.e. each image/picture must be a minimum of 300dpi.
2. Save each image/picture in the folder on the CD/DVD or Memory Stick or Hard Disk Drive entitled 'Graphs and Graphics from Case Study' and name each image/picture file as follows:

The first three letters of your agency name e.g. OGI for Ogilvy followed by an underscore with the APEX category i.e. LAU, SUS or CHA, another underscore with the graph number and another underscore with the campaign name

For example – use the following for graphs:

OGI\_LAU\_GRAPH1\_KFCFAMILYFEAST

For multiple files change the description numeric for each graphic or illustration as follows:

OGI\_LAU\_GRAPH1\_KFCFAMILYFEAST

OGI\_LAU\_GRAPH2\_KFCFAMILYFEAST

OGI\_LAU\_GRAPH3\_KFCFAMILYFEAST

For example – use the following for images/pictures:

OGI\_LAU\_PIC1\_KFCFAMILYFEAST

For multiple files change the description numeric for each image/picture as follows:
